Planned start date in 2023 *

Month:

Planned end date *

Year:

Month:

Problem formulation (max. 1000 characters including spaces) *

Describe the gender inequality problems you have identified and which the project intends to address, and what your understanding of these problems is on the basis of theoretical knowledge and/or proven experience.

Originality and relevance (max. 1000 characters including spaces) *

Describe how your project will contribute to change and generate new knowledge, referring to earlier work, knowledge and/or research.

Method and implementation (max. 1000 characters including spaces) *

Describe how you plan to proceed in order to address the problems identified. Justify your choice of approach with regard to its potential for achieving results and drawing conclusions from these results.

Communication of results (max. 1000 characters including spaces) *

Describe how and to which target groups you plan to communicate your project and its results, and how you will ensure that these results will be available even after the end of the project.

Assignment of roles (max. 1000 characters including spaces) *

Describe what the main applicant and the collaborating organisations will each contribute in the project, for example compences, perspectives and experiences, along with any experience of previous collaborations.

Nordic Benefit (max. 1000 characters including spaces) *

Explain why the project should run in the form of a Nordic collaboration, and describe the added value and the challenges that you perceive in working together across national borders.

Impact/long-term view (max.1000 characters including spaces) *

Please describe the expected long-term impact and/or results of the activity. Explain how the design of the project enable others to draw conclusions and learn from the successes and obstacles of the project.

Interdisciplinary perspectives

The Nordic Council of Ministers is required to mainstream the horizontal perspectives of sustainable development, gender equality and a child rights and youth perspective throughout its activities. For general background and guidance please see [Guidance to mainstreaming sustainable development, gender equality and a children's rights and youth perspective \(external link\)](#)

Is a child/young adult perspective included? *

[Read more here \(external link\)](#)

☐ Yes

☒ No

Is a sustainability perspective included? *
