

EXAMPLE

Application Nordic Gender Equality Fund

This is a sample document to show what information applicants need to provide in their application to The Nordic Gender Equality Fund.

Please make sure you have the required attachments available for upload:

- Budget in DKK [Budget template is available here](#)

PLEASE NOTE:

This form will not be saved in your browser, so please do not refresh the page before submitting your application!

When you submit your application, you will receive a confirmation with a reference number to the main applicant's email address. Use this reference number in all contact with NIKK. If the main applicant does NOT receive a confirmation in his/her inbox: check if it is in the junk folder. If it is not there either: contact nikk@genus.gu.se and we will help you.

Protected personal data (Required)

If you or someone in the organisation concerned by the application has protected personal data, you should always inform us of this.

Please contact the project manager Deepati Forsberg on +46766 183 487 and we will help you register your application. *We certify that we understand the above*

PROJECT PROPOSAL

Title of the activity (max. 100 characters) *(Required)*

Requested amount in DKK (please state an amount from 50000 to 500000 without spaces between digits) *(Required)*

ACTIVITY

Please describe the activity (select one or several alternatives) *(Required)*

- Nordic event (conference, seminar, meeting etc.)
- Knowledge production
- Network development
- Operational project
- Participation of voluntary/citizens' organisations in Nordic or international conferences

Problem formulation (max. 3 000 characters including spaces) *(Required)* Describe the gender inequality problems you have identified and which the project intends to address, and what your understanding of these problems is on the basis of theoretical knowledge and/or proven experience.

Brief project description (max. 3 000 characters including spaces) *(Required)*
Please describe the main activities and estimated results/effects.

Benefit to the Nordic Region (max 3 000 characters including spaces) *(Required)*
Explain why the project should run in the form of a Nordic collaboration, and describe the added value and the challenges that you perceive in working together across national borders.

Impact/long-term view (max.3 000 characters including spaces) *(Required)* Please describe the expected long-term impact and/or results of the activity. Explain how the design of the project enable others to draw conclusions and learn from the successes and obstacles of the project.

Originality and relevance (max. 3 000 characters including spaces) *(Required)*
Describe how your project will contribute to change and generate new knowledge, referring to earlier work, knowledge and/or research.

Method and implementation (max 3 000 characters including spaces) *(Required)*

Describe how you plan to proceed in order to address the problems identified. Justify your choice of approach with regard to its potential for achieving results and drawing conclusions from these results.

Communication of results (max. 3 000 characters including spaces) *(Required)*

Describe how and to which target groups you plan to communicate your project and its results, and how you will ensure that these results will be available even after the end of the project.

TIME PLAN

The activities must start in the same year as the funding is granted and be completed within two years from the start of the project. Activities started before contracting will not be funded.

Planned start date (2026 – select a month): *(Required)* Month
(May – Dec)

Planned end date (year): *(Required)*

Planned end date (month): *(Required)*
Jan – Dec
